The Future Gallery

Seconds from Leicester Square the Future Gallery is now open for hire offering 1000 square foot of high spec white canvas events space right in the heart of the bustling west end.

The stunning gallery holds up to 100 guests for product launches, parties and receptions. Facilities include a state of the art integrated lighting system to instantly change the gallery's colour at the touch of a button and a 1000 watt PA system to ensure the gallery always sounds great. With the addition of a decadent fully spec'd cocktail bar and dedicated technical area the Future Gallery makes sure every event hits the mark.

Technical Info
